WHEN PRESERVATIVE FREE MATTERS®

# MELATONIN PRODUCTS

**FEELING LIKE A ZOMBIE?**

**WAKE UP WITH ENERGY!**

## How did you sleep last night?

We all know how important good sleep is. How else would we cope with our often **stressful daily lives**? Our days are filled with coordinating work life, household, shopping, children and hobbies. We can't really afford to have **trouble falling asleep or not sleeping through the night** - and yet many of us know exactly these problems.

One option to provide fast relieve can be melatonin. There are already many of these effective products on the market, but there is something that is still missing in this area and this is exactly where we come in. **Effective products that completely avoid any kind of preservatives: for better tolerability and safe use!**

### What Melatonin does:

- Contributes to improve sleep quality
- Improves sleep-wake cycle
- Helps to fall asleep in a natural way
- Helps to reduce jet lag effects
- Helps to regulate circadian rythm
