HANOI CPC1 PHARMACEUTICAL JSC
LEADING PHARMACEUTICAL TECHNOLOGY

OUR STORY

Founded in 2009, Hanoi CPC1 Pharmaceutical JSC set out with the ambition to build a world-class pharmaceutical manufacturer applying the most advanced technologies. After four years of investment and development, our first factory officially went into operation in 2013 at Ha Binh Phuong Industrial Cluster, covering 30,000 m².

Our modern production capability features BFS (Blow-Fill-Seal) and FFS (Form-Fill-Seal) technologies, together with the first Nano Eye Drop and Emulsion Production Lines in Vietnam

Continuing our journey of growth, in 2021 we expanded its ecosystem with a nationwide chain of nearly 80 pharmacies called Upharma, strengthening our domestic presence. In 2024, construction of second manufacturing facility was launched, marking a new milestone to further enhance our global supply capacity.

Today, Hanoi CPC1 stands as a trusted partner, delivering innovative and high-quality healthcare solutions to families and partners worldwide.

BFS (BLOW-FILL-SEAL) INNOVATIVE TECHNOLOGY

UNIQUE PACKING

► BOV

► DUAL CHAMBER

HIGHLIGHTS FROM OUT EXTENSIVE PORTFOLIO

BACIZIN

- Bacillus Clausii plus Zinc oral suspension
- BFS Technology, high stability
 - Recover the intestinal microflora
 - Double effects anti-diarrhea
 - Preservative free

ZENTOKID OMEGA 3

- Omega 3 exclusive formula, Milky
- For Brain + Eyes + Immune
 - Tasty & Convenient
 - Quality Silver Technology
 - European Raw material

ACTISO VIET

Artichoke extract oral solution

- Artichoke source from Liangbiang Highland, Vietnam with highest cynarine concentration in the world
- Sugar free-safe for diabetics, pregnancy and kids
- Single dose ampoule, ready to use

GEL B5

Carbomer + Vitamin B5 gel for eye

- Supports corneal healing & repair
- Liquidshield™ technology, dry eye relief for up to 12 hours
- BFS technology - Convenient single dose
- Preservative-free, safe for long-term use

DTP RELAX

Cyclosporin 0,05% eye drops

- Nano cationic emulsion that boost penetration in ocular surface
- BFS Technology, single-dose Preservative-free
- Indicate to increased tear production, keratitis, after ocular surgery

HEAVY - BUPIVACAINE

Bupivacaine hydrochloride 5 mg/ml

- BFS Technology, sterile
- Spinal anaesthesia for urological or lower limbs surgery, C section surgery

ZENSONID 200 INHALER

Budesonide MDI 200 mcg/actuation

- Dose uniformity from the first to the last actuation
- First-line products in management Asthma, COPD

PROGES SUP 400MG

Progesteron suppository:

- Utilizes Micronized Active Ingredient
- Sustained Release Technology
- Bioadhesive Technology
- Optimal Delivery Route

PH BALANCE

Lactic acid and Sodium lactate suppository

- Lactic-Lactac Buffer, supply natural acidic for vagina
- Maintain physiological pH for all day long
- Safe and gentle, usable for pregnant and lactation women

VITAL PRO NEW

G115 Premium Ginseng and Multivitamin

- Strengthen immunity, reduce fatigue
- Enhance cognitive function
- Improves appetite, boost recovery

HIGHLIGHTS FROM OUR EXTENSIVE PORTFOLIO

LAFORIN SORE SPRAY

Chlorhexidine & Lidocaine throat spray

- Micell technology prevent bitter and bring herbal oil to soothe throat
- For sorethroat, throat infection

MOGARNA CREAM

Rutin, Mono-Ammonium Glycyrrhizinate, Lidocaine, Phenylephrine HC, Natural Menthol Crystals, Allantoin, Vitamin E-Suppository

- For internal, external hemorrhoids, anal fissure
- Combination of traditional and modern ingredient
- No corticoid, no irritation
- Safe for pregnant and lactating women, children from 2 years old

SERIES NEBUSAL

BOV, Friendly Sea Water spray series

Full range of isotonic, hypertonic, hypotonic sea water nasal spray for whole family

- Continuous Spray, Easy to clean nose with 1 PRESS
- Spray Every Posture
- Soft & Fine Mist
- Bag-on-valve technology ensure high quality purified sea water

SERIES LAFORIN

Mouthwash-Toothpaste-Dental gel-Throat Spray

- Convenient packing technology: ACD technology, vacuum pump, 360 throat spray head
- Formula design suitable for each disease characteristics and oral cavity structure

SERIES ARICAMUN

ARICAMUN: Daily pharmaceutical-grade skincare for all skin types

- Premium Pharmaceutical Quality
- Paraben-Free and Alcohol-Free
- Suitable for All Skin Types
- Diverse Uses: Cleansing, Moisturizing and Restoring, Antioxidant, Skin Brightening, Skin Protection

SERIES ZENTOKID

Mom Assistance for Kid Health suppository:

- Zentokid Appetite and Sleep: day appetite, night sleep tight
- Zentokid D3, K2: essential for potential height
- Zentokid Ivy: stop cough, clean mucus, enhance immune
- Zentokid Vegelax: stop constipation, boost absorption
- Zentokid Zinc: strength immune, support growth
- Zentokid C&F: natural extract, reduce symptom of cold and flu for baby from one month
- Zentokid shower gel: clean gently, moisturizes, maintains natural moisture for baby's skin

SERIES HEXAMI

Sterile Eye drops & Nutrition for eyes

- Single-dose, non-preservative eyedrops
- Innovative packaging for multi-dose
- Delicious Nutrients for eyes
- Best solution for cataract, red eyes
