

Adeste

Innovating Health, Transforming Lives

For **70 years**, Adeste has been a pioneering leader in transforming animal by-products into **innovative solutions** across the health, food, and animal nutrition sectors.

With over 900 dedicated employees, our operations span 8 sites in Brazil and our products reach **more than 40 countries** worldwide.

Adeste's strong commitment to the circular economy and sustainability drives our mission to **create value** where others see waste.

Adeste **leads the global market in Bovine Heparin API** and absorbable sutures for surgical applications. We are also the leading producer of Bovine Fetal Serum in South America and the largest provider of **Chondroitin Sulfate** in Latin America.
