

IMPROING HEALTH

IMPROVING LIFE

WRLD WIDE

From Director's Desk

Our motto is to provide happier and healthier tomorrow to all by providing quality products and offering total customer satisfaction. Hence we continuously set higher standards and feel passionate to achieve expertise in all the dosages forms. We have a diverse combination of resources, skills and capabilities that provide platform to excel effectively in today's changing healthcare scenario.

Our in-house manufacturing unit is well equipped with all latest facility and is capable to cater the therapeutic need in more than 25 countries. M/s Ronald Pharmaceuticals Pvt. Ltd is a WHO-GMP, ISO 9001:2015 and Cambodia approved certified pharmaceutical plant. Our endeavor in pharmaceuticals formulation business is to offer quality pharmaceuticals and health care products at affordable price with excellent services. We would honour the enquiries from all around the world for making continuous efforts for improving global health.

Our Vision : To provide happier and healthier tomorrow by providing quality products around the globe by giving best to the world and work for ultimate customer satisfaction.

Our Mission : Adherence to persistent improvement and providing elevated quality, efficient and outstanding services in order to ensure client as well as customer satisfaction. To be a leading pharmaceutical manufacturing and marketing company with diverse formulation products at affordable prices across the globe.

Thanking you

Mr. Vedant Maheshwari
Managing Director

About Savorite Pharmaceuticals

Savorite Pharmaceuticals is Indian based growing pharmaceutical organization based at VADODARA, Gujarat India. The company is focused on the manufacturing and exporting of pharmaceutical & healthcare products. Our endeavor in drug development, customer satisfaction and successful product commercialization has helped us to emerge as one to the fastest growing export house. We have identified brand building in export as the core thrust area in more than 25 countries (Middle East, Africa, South America & Asia). To tap newer opportunities we are planning formulation marketing into life style segment & chronic ailment section.

Over the years, Savorite has continuously strived to make globally available high cost medicines to local masses with the supply of quality pharmaceuticals at affordable prices. We at Savorite are open to global market with the purpose of enriching human lives. We continuously review our various operations to make them more efficient, relevant with changing international scenario .We comply with all relevant statutory and regulatory requirements. Strong values define our culture and help us to execute our mission and vision.

About Ronald Pharmaceuticals Pvt. Ltd

Ronald Pharmaceuticals Pvt. Ltd is a professionally managed, WHO-GMP, ISO 9001:2015 certified pharmaceutical manufacturing unit. The plant is equipped with high tech modern machinery to manufacture high quality pharmaceutical formulation like Tablet, Capsule & liquid oral. The plant is well managed by experienced & energetic director well supported by skilled & technically qualified professionals.

Our tablet section is well equipped with advance & fully automated complete range of tableting machineries with a capacity to deliver 700000 tab (blistering & stripping per day). We have versatile high speed automatic capsule filling machines which offers us minimal maintenance & provides zero error contamination in order to give good quality products. Our liquid oral section has fully automatic high speed machine which adopts liquid filling by the ways of vacuum & ensures the filling is done with high accuracy & versatility. Our plant is well equipped with all the modern laboratory instrument required for testing. We adhered to standard validation & calibration protocols.

INJECTION

Amikacin Sulphate Inj. USP100mg/2ml , 250mg/2ml & 500mg/2ml	Injectable	Antibiotic
Analgin 375mg + Diphenhydramine Hcl. 20mg	Injectable	Analgesic + antihistaminic
Analgin 500mg	Injectable	Analgesic
Arteether 75mg / 80mg / 150mg	Injectable	Antimalarial
Ascorbic Acid 100mg	Injectable	Supplement
Atropine Sulphate 0.6mg / 1.0mg	Injectable	Supplement
Bupivacaine HCl. 5.0 mg + Dextrose 80.0 mg	Injectable	Supplement
Chlorpheniramine Maleate 10mg	Injectable	Antihistaminic
Ciprofloxacin Lactate 40mg	Injectable	Antibiotic
Citicoline Sodium 250mg	Injectable	Alzheimer & dementia treatment
Clindamycin USP 150mg	Injectable	Antibiotic
Cyanocobalamin 1000 mcg.	Injectable	Supplement
Dexamethasone Sodium Phosphate 4mg	Injectable	Steroid
Diazepam 10mg	Injectable	Sedatives
Diclofenac Sodium 25mg / 75 mg	Injectable	NSAID
Disodium Edetate Anhydrous 150mg	Injectable	Chelating agent
Etamsylate BP 125mg	Injectable	Antihemorrhagic agent
Folic Acid 10mg	Injectable	Supplement
Gentamicin 10mg / 40mg	Injectable	Antibiotic
Glycopyrrolate USP 0.2 mg	Injectable	Anticholinergics
Glycopyrrolate USP 0.5mg + Neostigmine Methyl Sulphate 2.5mg	Injectable	Anticholinergics
Haloperidol 5mg	Injectable	Antipsychotics
Heparin Sodium 1000 I.U.	Injectable	Anticoagulant
Ketamine 50 mg	Injectable	Anesthetic
Levocarnitine USP 1.0g	Injectable	Supplement
Lignocaine HCl 53.3 mg + Dextrose 75.0 mg	Injectable	Anesthetic
Lignocaine Hydrochloride 21.3 mg	Injectable	Anesthetic
Lorazepam BP 2mg	Injectable	Sedatives
Magnesium Sulphate USP 500mg	Injectable	Gastro- intestinal
Meloxicam BP 5mg	Injectable	NSAID
Methyl Ergometrine Maleate 0.2mg	Injectable	Postpartum haemorrhage
Methyl Prednisolone Acetate USP 40mg	Injectable	Steroid
Methylcobalamin 500 mcg	Injectable	Supplement
Metochlopramide Hydrochloride	Injectable	Gastro- intestinal
Midazolam B.P. 1mg	Injectable	Anesthetic
Neostigmine Methyl Sulphate 0.5mg	Injectable	Neuromuscular treatment
Ondansetron Inj. USP 2mg/ml	Injectable	Antiemetic
Oxy-Biotic L.A. 20%	Injectable	Supplement
Paracetamol 0.150g	Injectable	NSAID
Phenylbutazone 200mg + Sodium Salicylate 20mg	Injectable	NSAID
Phenytoin Sodium 50mg	Injectable	Antiepileptic
Piracetam 200mg	Injectable	Cognitive enhancer
Promethazine Hydrochloride 25mg	Injectable	Antihistaminic
Pyridoxine Hydrochloride 100mg	Injectable	Supplement
Quinine Dihydrochloride	Injectable	Antimalarial
Ranitidine 25mg	Injectable	Gastro- intestinal
Sodium Acid Phosphate BP 40.3% w/v.	Injectable	Antibacterial
Succinylcholine Chloride 50mg	Injectable	Anesthetic
Sulphadiazine 200mg + Trimethoprim 40mg	Injectable	Antibacterial
Tobramycin 40mg	Injectable	Antibiotic
Tramadol Hydrochloride 50mg	Injectable	Analgesic
Tranexamic Acid BP 500mg	Injectable	Postpartum haemorrhage
Vitamin A 600,000 IU	Injectable	Supplement
Vitamin B12	Injectable	Supplement
