Our Story!

Tiaraju Laboratory was established in Santo Angelo, Brazil, in May 1991 and since then its name is synonymous with quality. The group has 28 years experience launching pioneering and differentiated products. Innovation and quality are part of the company's values. **Tiaraju Group** meets all Brazil's National Agency of Health Surveillance legal requirements and standards and maintains a strict quality control throughout the manufacturing and storage process of supplies and products.

The company maintains a proactive Research & Development sector, made up of highly qualified technicians and pharmacists. Throughout its history, Tiaraju Laboratory is proud to have built a 100% national company based on integrity, ethics and transparency in its relations with employees, clients and business partners.

Live Healthily!

OPHTHALMOLOGY

Krill Lutein

- It is rich in astaxanthin, a powerful antioxidant that helps to protect and stimulate the brain, and in the prevention of inflammatory and degenerative diseases.¹
- It is rich in EPA and DHA, which help in the cardiovascular and brain health maintenance.²
- It contains lutein, which helps in the vision health.³

Registration: 6.5204.0130.001-2

Serving size 1.0 g (1 capsule)		
Amount per serving		%DV(*)
Calories	5 kcal = 23 kJ	0%
Total Fats	0.60 g	1%
Polyunsaturated fatst	0.18 g	**
EPA - eicosapentaenoic acid	90 mg	**
DHA - docosahexaenoic acid	54 mg	**
Vitamin A	600,00 µg RE	100%
Vitamin B1	1.2 mg	100%

It does not contain significant amounts of carbohydrates, proteins, saturated fats, *trans* fats, dietary fiber and sodium.

**% Daily Values based on a 2000 kcal or 8400 kJ diet. Your daily values may be higher or lower depending on your energy needs. **Daily values are not established.*

Ingredients: krill oil (*Euphausia superba*), lutein (*Tagetes erecta* flower lutein), antioxidant D-alpha tocopherol, aroma similar to the natural one of vanilla, soy lecithin emulsifier, retinol acetate.

SUGGESTED USE:

Take 1 capsule a day with 200 mL (1 glass) of water, or as recommended by your doctor and/or nutritionist.

STORAGE:

Store at room temperature (15-30 °C), protected from light and humidity.

SHELF LIFE:

24 months.

Lutein has antioxidant action that protects cells against free radicals. Their consumption should be associated with a balanced diet and healthy lifestyle.

People presenting diseases or physiological changes, pregnant and lactating women should consult their physician before consuming this product.

Allergic: it contains crustacean (krill) derivatives.

Gluten-free.

Lutein Omega 3

- It is rich in EPA and DHA, which help in the cardiovascular and brain health maintenance.¹
- It contains lutein, which helps in the vision health.²
- It helps in the muscular functioning.³

Registration: 6.5204.0135.001-1

Serving size 1.0 g (2 capsule)

Cholesterol	0.0 g	**
Vitamin A	600 µg RE	100%
Vitamin D	5.0 µg	100%
Vitamin E	10 mg	100%

It does not contain significant amounts of carbohydrates, proteins, saturated fats, *trans* fats, dietary fiber and sodium.

**% Daily Values based on a 2000 kcal or 8400 kJ diet. Your daily values may be higher or lower depending on your energy needs. **Daily values are not established.*

Ingredients: omega 3 fish oil, lutein, D-alpha tocopherol acetate, retinol acetate and cholecalciferol. Capsule: gelatin, humectant glycerin and dyes INS 171, INS 123, INS 133 and INS 129. Artificially colored.

SUGGESTED USE:

Take 1 to 2 capsules a day, with 200 mL (1 glass) of water, or as recommended by your doctor and/or nutritionist.

The serving of 2 capsules contains 6 mg of lutein.

STORAGE:

Store at room temperature (15-30 °C), protected from light and humidity.

SHELF LIFE:

24 months.

People presenting diseases or physiological changes, pregnant and lactating women should consult their physician before consuming this product.

Allergic: it contains fish derivatives.

Gluten-free.

Visevit

- It has antioxidant properties, which helps to protect against the damage caused by free radicals.
- It helps in the maintenance of the vision health.

Registration: 6.5204.0095.001-3

Serving size 0.8 g (1 capsule)		
Amount per serving		%DV(*)
It does not contain significant amounts of carbohydrates, proteins, saturated fats, <i>trans</i> fats, dietary fiber and sodium.		
<i>*% Daily Values based on a 2000 kcal or 8400 kJ diet. Your daily values may be higher or lower depending on your energy needs.</i>		

Ingredients: sunflower oil vehicle, soybean lecithin emulsifier, meso-zeaxanthine, lutein, and zeaxanthine from the flower of *Tagetes erecta*, antioxidant acetate dl-alpha tocopherol. Capsule: gelatin gelling, glycerin humectant, purified water vehicle, INS 171 and INS 110 dyes.

SUGGESTED USE:

Take 1 capsule a day, with 200 mL (1 glass) of water during the meal.

Each capsule contains 10 mg of lutein, 2 mg of zeaxanthine, and 10 mg of meso-zeaxanthine.

STORAGE:

Store at room temperature (15-30 °C), protected from light and humidity.

SHELF LIFE:

24 months.

People presenting diseases or physiological changes, pregnant and lactating women should consult their physician before consuming this product.

Allergic: it contains soybean derivatives.

Gluten-free.

CARDIOLOGY

Antartic Krill

- It is rich in astaxanthin, a powerful antioxidant that helps to protect and stimulate the brain, and in the prevention of inflammatory and degenerative diseases.¹
- It is rich in EPA and DHA, which help in the cardiovascular and brain health maintenance.²

Registration: 6.5204.0120.001-8.

Serving size 0.75 g (1 capsule)

Amount per serving		%DV(*)
Calories	5 kcal = 19 kJ	0%
Total fats	1 g	1%
Polyunsaturated fats	0.15 g	**
EPA - eicosapentaenoic acid	75 mg	**
DHA - docosahexaenoic acid	45 mg	**

It does not contain significant amounts of carbohydrates, proteins, saturated fats, *trans* fats, dietary fiber and sodium.

*% Daily Values based on a 2000 kcal or 8400 kJ diet. Your daily values may be higher or lower depending on your energy needs. **Daily values are not established.

Ingredientes: krill oil (*Euphausia superba*). Cápsula: gelificante gelatina, umectante glicerina e aroma idêntico ao natural de baunilha.

SUGGESTED USE:

Take 1 capsule a day, with 200 mL (1 glass) of water.

STORAGE:

Store at room temperature (15-30 °C), protected from light and humidity.

SHELF LIFE:

24 months.

People presenting diseases or physiological changes, pregnant and lactating women should consult their physician before consuming this product.

Allergic: it contains crustacean (krill) derivatives.

Gluten-free.

Coenzyme Q10

- It is essential for the generation of ATP (energy), improving the energy expenditure and the resistance to physical exercise, and reducing the oxidative stress.
- It acts as an antioxidant.¹
- It helps to fight skin ageing.²
- It helps in the maintenance of the cardiovascular health.³

Registration: 6.5204.0123.001-4.

Serving size 0.7 g (1 capsule)

Amount per serving		%DV(*)
Calories	6 kcal = 26 kJ	0%
Total fat	0.7 g	1%
Coenzyme Q10	200 mg	**

It does not contain significant amounts of carbohydrates, proteins, saturated fats, *trans* fats, dietary fiber and sodium.

*% Daily Values based on a 2000 kcal or 8400 kJ diet. Your daily values may be higher or lower depending on your energy needs. **Daily values are not established.

Ingredientes: coenzyme Q10, grape seed oil, soy lecithin emulsifier, gelatin gellant, glycerin humectant, purified water, INS 171 and INS 129 dyes.

SUGGESTED USE:

Take 1 capsule a day, with 200 mL (1 glass) of water, or as recommended by you doctor or nutritionist.

STORAGE:

Store at room temperature (15-30 °C), protected from light and humidity.

SHELF LIFE:

24 months.

Allergic: it contains soy derivivate.

Gluten-free.

Krill Q10

- It is rich in astaxanthin, a powerful antioxidant that helps to protect and stimulate the brain, and in the prevention of inflammatory and degenerative diseases.¹
- It is rich in EPA and DHA, which help in the cardiovascular and brain health maintenance.²
- It contains coenzyme Q10, which enhances the energy expenditure and the resistance to exercise, reducing the oxidative stress.³

Registration: 6.5204.0129.001-7.

Serving size 0.88 g (1 capsule)

Amount per serving		%DV(*)
Calories	5 kcal = 19 kJ	1%
Total Fats	0.5 g	1%
Polyunsaturated fats	0.15 g	**
EPA - eicosapentaenoic acid	75 mg	**
DHA - docosahexaenoic acid	45 mg	**
Folic acid	240,00 µg RE	100%
Vitamin B12	2.4 mg	100%

It does not contain significant amounts of carbohydrates, proteins, saturated fats, *trans* fats, dietary fiber and sodium.

*% Daily Values based on a 2000 kcal or 8400 kJ diet. Your daily values may be higher or lower depending on your energy needs. **Daily values are not established.

Ingredientes: krill oil (*Euphausia superba*), coenzyme Q10, soy lecithin emulsifier, vanilla-like aroma, pyridoxine hydrochloride, N-pteroyl-L-glutamic acid, cyanocobalamin. Capsule: Gelatin gelling, glycerin humectant, INS 171 and INS 129 dyes.

SUGGESTED USE:

Take 1 capsule a day, with the aid of 200 mL (1 glass) of water, or as recommended by your doctor and/or nutritionist.

STORAGE:

Store at room temperature (15-30 °C), protected from light and humidity.

SHELF LIFE:

24 months

People presenting diseases or physiological changes, pregnant and lactating women should consult their physician before consuming this product.

Allergic: it contains crustacean derivatives (krill) and soybean derivatives.

Gluten-free.

Chia Oil

- It is a source of omegas 3, 6, and 9.¹
- It helps in the central nervous system maintenance.²
- It helps in the cardiovascular health maintenance.³

Registration: 6.5204.0100.001-9.

Serving size 3 g (3 capsules)		
Amount per serving		%DV(*)
Calories	27 kcal = 133 kJ	1%
Total Fats	3 g	5%
Saturated fats	0.3 g	1%
Monounsaturated fats	0.2 g	**
Polyunsaturated fats	2.5 g	**

It does not contain significant amounts of carbohydrates, proteins, saturated fats, *trans* fats, dietary fiber and sodium.

*% Daily Values based on a 2000 kcal or 8400 kJ diet. Your daily values may be higher or lower depending on your energy needs. **Daily values are not established.

Ingredients: chia oil (*Salvia hispanica* L.). Capsule: gelatin (gelling agent), glycerin (humectant) and water.

SUGGESTED USE:

Take 3 capsules a day, with 200 mL (1 glass) of water.

STORAGE:

Store at room temperature (15-30 °C), protected from light and humidity.

SHELF LIFE:

24 months.

Pregnant women, nursing mothers and children up to three (3) years old should only use this product under the guidance of a nutritionist and/or a physician.

Gluten-free.

Omega 3

- It is rich in EPA and DHA, which help in the cardiovascular and brain health maintenance.¹
- It contains vitamin E, which is an antioxidant that helps to prevent the damage caused by free radicals.²

Registration: 6.5204.0034.001-0.

Serving size 2.8 g (2 capsules)		
Amount per serving		%DV(*)
Calories	18 kcal = 76 kJ	0%
Total Fats	2.0 g	2%
Monounsaturated fats	0.8 g	**
Polyunsaturated fats	0.7 g	**
DHA - docosahexaenoic acid	240 mg	**
EPA - eicosapentaenoic acid	360 mg	**
Vitamin E	8 mg	80%

It does not contain significant amounts of carbohydrates, proteins, saturated fats, *trans* fats, dietary fiber and sodium.

*% Daily Values based on a 2000 kcal or 8400 kJ diet. Your daily values may be higher or lower depending on your energy needs. **Daily values are not established.

Ingredients: fish oil concentrate (imported raw material), and mixture of tocopherols (antioxidants). Capsules: Gelatin (gelling agent) and glycerin (humectant).

SUGGESTED USE:

Take 1 to 2 capsules a day, with 200 mL (1 glass) of water, or as recommended by your doctor and/or nutritionist.

STORAGE:

Store at room temperature (15-30 °C), protected from light and humidity.

SHELF LIFE:

24 months.

The consumption of omega-3 fatty acids helps maintain healthy triglyceride levels, as long as it is associated with a balanced diet and healthy lifestyle.

People presenting diseases or physiological changes, pregnant and lactating women should consult their physician before consuming this product.

Allergic: it contains fish derivatives.

Gluten-free.

Omega 3 Concentrate

- It is rich in EPA and DHA, which help in the cardiovascular and brain health maintenance.¹
- It helps in cholesterol profile maintenance.

Registration: 6.5204.0136.001-5

Serving size 1.4 g (1 capsule)

Ingredients: krill oil (*Euphausia superba*), gelatin gellant, glycerin humectant. It contains synthetic flavoring identical to the natural vanilla.

SUGGESTED USE:

Take 1 capsule a day, with 200 mL (1 glass) of water.

STORAGE:

Store at room temperature (15-30 °C), protected from light and humidity.

SHELF LIFE:

24 months.

People presenting diseases or physiological changes, pregnant and lactating women should consult their physician before consuming this product.

Allergic: it contains fish and crustaceous derivatives.

Gluten-free.

NEUROLOGY

Açaí and Guaraná

- It has stimulant properties, for containing caffeine associated with other substances, such as theobromine, theophylline, minerals and vitamins.¹
- It has antioxidant properties.²

Registro no M.S. nº 6.5204.0029.001-3.

Serving size 2.4 g (6 capsules)		
Amount per serving		%DV(*)
Calories	8 kcal = 34 kJ	<1%
Carbohydrate	2 g	<1%

It does not contain significant amounts of carbohydrates, proteins, saturated fats, *trans* fats, dietary fiber and sodium.

*% Daily Values based on a 2000 kcal or 8400 kJ diet. Your daily values may be higher or lower depending on your energy needs.

Ingredients: guaraná powder (*Paullinia cupana*) and decaffeinated açai powder (*Euterpe oleracea*). Capsule: gelatin (gelling agent) and glycerin (humectant).

SUGGESTED USE:

Take 2 capsules, 3 times a day, along with 200 mL (1 glass) of water.

Each serving of 2.4 g (6 capsules) contains 48 mg of caffeine.

STORAGE:

Store at room temperature (15-30 °C), protected from light and humidity.

SHELF LIFE:

24 months.

Pregnant women, nursing mothers and children up to three (3) years old should only use this product under the guidance of a nutritionist and/or a physician.

Gluten-free.

Energytom

- It contains guarana, which has a stimulant action because it contains caffeine associated with other substances, such as theobromine, theophylline, mineral salts, essential oils, and vitamins.
- It helps in the immune system functioning.
- It helps in the energy metabolism.
- It has antioxidant properties, which helps to protect against the damage caused by free radicals.

Registration: 6.5204.0085.001-9.

Serving size 1.94 g (1 capsule)

Ingredients: magnesium oxide, microcrystalline cellulose and silicon dioxide antifouling, magnesium stearate lubricant and croscarmellose stabilizer.		

SUGGESTED USE:

Take 1 tablet a day with 200 mL (1 glass) of water, or as recommended by your nutritionist or physician.

STORAGE:

Store at room temperature (15-30 °C), protected from light and humidity.

SHELF LIFE:

24 months.

Pregnant women, nursing mothers and children up to three (3) years old should only use this product under the guidance of a nutritionist and/or a physician.

Gluten-Free.

Magnesium Malate

- It is formulated with malate mineral, which has better bioavailability and solubility.
- It helps in the formation of bones and teeth.¹
- It helps in the muscular and neuromuscular functioning.¹
- It helps in the energy metabolism and in the metabolism of proteins, carbohydrates, and fat.¹

Exempt from registration in Brazilian Ministry of Health pursuant to Resolution RDC No. 27/10.

Serving size 2.2 g (4 capsules)

Amount per serving		%DV(*)
Magnesium	Max. 350 mg	135%

It does not contain significant amounts of carbohydrates, proteins, saturated fats, *trans* fats, dietary fiber and sodium.

**% Daily Values based on a 2000 kcal or 8400 kJ diet. Your daily values may be higher or lower depending on your energy needs.*

Ingredients: magnesium malate, microcrystalline cellulose antifoam and silicon dioxide. Casing: gelatin gellant and humectant glycerin.

SUGGESTED USE:

Take 1 to 4 capsules a day with 200 mL (1 glass) of water, or as recommended by your nutritionist or physician.

STORAGE:

Store at room temperature (15-30 °C), protected from light and humidity.

SHELF LIFE:

24 months.

Pregnant women, nursing mothers and children up to three (3) years old should only use this product under the guidance of a nutritionist and/or a physician.

Gluten-Free.

Selenium

- It is formulated with malate mineral, which has better bioavailability and solubility.
- It is an antioxidant, which helps to protect against the damage caused by free radicals.¹
- It helps in the immune system functioning.¹

Exempt from registration in Brazilian Ministry of Health pursuant to Resolution RDC No. 27/10.

Serving size 0.25 g (1 tablet)

Amount per serving		%DV(*)
Selenium	Max. 319,75 µg	940%

It does not contain significant amounts of carbohydrates, proteins, saturated fats, *trans* fats, dietary fiber and sodium.

**% Daily Values based on a 2000 kcal or 8400 kJ diet. Your daily values may be higher or lower depending on your energy needs.*

Ingredients: selenomethionine, mass agent microcrystalline cellulose, silicon dioxide and magnesium stearate anti-caking agent and croscarmellose sodium stabilizer.

SUGGESTED USE:

Adults over 19 years of age, consume 1 tablet a day, with 200 mL (1 glass) of water.

STORAGE:

Store at room temperature (15-30 °C), protected from light and humidity.

SHELF LIFE:

24 months.

It does not contain significant amounts of carbohydrates, proteins, saturated fats, *trans* fats, dietary fiber and sodium.

^{*}% Daily Values based on a 2000 kcal or 8400 kJ diet. Your daily values may be higher or lower depending on your energy needs.

SUGGESTED USE:

Take 1 to 2 capsules a day, with 200 mL (1 glass) of water.

STORAGE:

Store at room temperature (15-30 °C), protected from light and humidity.

SHELF LIFE:

18 months.

Pregnant women, nursing mothers and children up to three (3) years old should only use this product under the guidance of a nutritionist and/or a physician.

Allergic: it contains soy derivative.

Gluten-Free.

Ingredients: vehicle sunflower oil, vitamin and mineral mix (maltodextrin, calcium carbonate, magnesium oxide, L-ascorbic acid (Vitamin C), nicotinamide (niacin), D-alpha tocopherol acetate E), zinc oxide, manganese sulfate, retinol acetate (vitamin A), thiamine nitrate (vitamin B1), riboflavin hydrochloride (vitamin B2), calcium D-pantothenate (pantothenic acid), iron pyrophosphate (iron), pyridoxine hydrochloride (vitamin B6), anhydrous copper sulfate (copper), N-pteroyl-L-glutamic acid (folic acid), phytonadione (Vitamin K), sodium selenite Potassium iodide (iodine), sodium molybdate (molybdenum), chromium picolinate, D-Biotin, cholecalciferol (vitamin D3), cyanocobalamin (vitamin B12)), soy lecithin emulsifier. Envelope (capsule): gelatin gellant, glycerin humectant, INS 171 dyes, INS 122 and INS 129.

MultiVita Woman

- Complete vitamin supplement with a balanced formula specially developed to meet the nutritional needs of women.
- It improves body defenses.¹
- It has antioxidant properties.¹
- It contains flaxseed oil, that is rich in omegas 3, 6, and 9, which help to maintain the cardiovascular health.²

Exempt from registration in Brazilian Ministry of Health pursuant to Resolution RDC No. 27/10.
