

Jiuzhou Pharma Achieves EcoVadis Gold Rating – A Testament to Our Commitment to Sustainable and Ethical CDMO Excellence

2025-03-07

[Jiuzhou Pharma](#) is proud to announce that we have been awarded the prestigious Gold Medal in the 2024 EcoVadis Sustainability Assessment, a recognition that places us among the top 5% of companies globally for our exceptional performance in Environmental Stewardship, Labor & Human Rights, Business Ethics, and Sustainable Procurement. This milestone underscores our technical leadership in green pharmaceutical manufacturing and our commitment to setting the standard for sustainability within the contract development and manufacturing (CDMO) industry.

As one of the few Chinese CDMOs to achieve this elite Gold rating, Jiuzhou Pharma surpasses industry norms and regulatory expectations, ensuring our global customers benefit from a partner who prioritizes environmental responsibility, operational transparency, and sustainable business practices.

Advancing Green Chemistry & Sustainable Pharmaceutical Manufacturing

At Jiuzhou Pharma, sustainability is deeply embedded in our technical and operational strategies. Our high EcoVadis score of 76 reflects our continuous advancements in:

- Green Chemistry & Process Optimization – We integrate atom economy, solvent recovery, and energy-efficient synthesis to minimize environmental impact while enhancing process efficiency.

- Carbon Reduction Initiatives – In early 2025, we formally committed to the Science-Based Carbon Target Initiative (SBTi), aligning our operations with global climate action frameworks to reduce greenhouse gas emissions and achieve net-zero goals.
- Sustainable Waste Management – We implement closed-loop waste recovery, optimized effluent treatment, and resource recycling strategies to reduce environmental burden.
- Stringent ESG Compliance – Our EcoVadis Gold certification ensures that our supply chain, operational ethics, and corporate governance align with the highest global sustainability benchmarks, de-risking supply chain commitments for our partners.

A Competitive Edge in Sustainable CDMO Services

As global regulatory bodies and multinational pharmaceutical companies increasingly mandate stringent ESG (Environmental, Social, and Governance) compliance, Jiuzhou Pharma's Gold rating offers a competitive advantage to our partners:

- ◆ Regulatory Readiness – Our sustainability practices align with European Green Deal policies, REACH regulations, and evolving FDA and EMA environmental directives, ensuring seamless regulatory compliance.
- ◆ Supply Chain Transparency & Reliability – Our EcoVadis Gold status demonstrates a mature, responsible, and verifiable ESG framework, giving customers confidence in our ethical sourcing and manufacturing practices.
- ◆ Energy-Efficient API & Intermediate Manufacturing – We implement process intensification, solvent minimization, and biocatalysis technologies to improve efficiency and reduce environmental footprint in complex API synthesis.

Commitment to Continuous Improvement & Innovation

Beyond this Gold rating, Jiuzhou Pharma continues to push the boundaries of sustainable pharmaceutical manufacturing. Our commitment to continuous innovation in green chemistry, lifecycle impact reduction, and responsible global manufacturing ensures that we remain a trusted, forward-thinking CDMO partner for the future of pharmaceuticals.

For companies seeking a technically advanced, environmentally responsible, and globally compliant CDMO partner, Jiuzhou Pharma is the clear choice. [Learn more](#) about our sustainable manufacturing capabilities and how we can support your next project.

九洲药业获 2024 年 EcoVadis 企业社会责任评级“金牌”认证

发布时间: 2025-03-07

近日，九洲药业在 EcoVadis 的评估中，凭借在环境、劳工与人权、商业道德及可持续采购等领域的卓越实践，首次获得“金牌”认证，跻身全球参评企业前 5% 行列。这一评级彰显了公司在可持续发展领域的卓越成就与不懈努力。

EcoVadis 是全球公认的企业社会责任（CSR）与可持续发展评级平台，覆盖 198 个国家和地区、200 余个行业，已为超过 15 万家企业提供权威评估。其科学化、多维度的评分体系（满分 100 分）被视作企业 ESG 能力的“试金石”。在此次评估中，九洲药业获得了 76 分，尤其在环境管理与劳工权益保障两大领域表现突出，为深化全球合作、赢得客户信任注入“绿色动能”。

作为绿色制药创新技术领导者，九洲药业充分认识到可持续发展的价值、重要性和必要性。力求在环境责任、社会责任和公司治理方面携手利益相关方，持续提升与改善，共创可持续发展未来。2024 年，公司正式加入联合国全球契约组织（UNGC），并完成其可持续发展目标雄心加速器项目，系统制定九洲药业 ESG 长期目标。并于 2025 年初签署“科学碳目标倡议”（SBTi）承诺，为应对全球气候变化贡献行业力量。

此次荣获 EcoVadis 金牌认证，不仅是对九洲药业过往实践的高度认可，更成为其迈向更高标准的动力。公司将继续秉持“关爱生命、维护健康”的企业使命，深化与全球合作伙伴的协作，通过技术创新与绿色生产，为客户提供更优质的产品与服务。未来，九洲药业将进一步优化资源利用效率，强化供应链可持续管理，并推动员工福祉与社区发展的协同提升，助力构建健康、低碳的全球产业生态。
